Juggling with a number of cards and documents required for your tedious college administrative work; maintaining a track of students data and can be hassle, even also for your students, parents, administration and finance staff. Ease up the life by replacing bundle of different cards for different uses with one single iBonus Campus Card which will serve all the purpose from identification to making cashless payments at campus.

iBONUS Campus card is a prepaid smart card solution designed to be used by students and provides benefits to students who register with your university or college / educational organization. It will serve the purpose of ID card as well as making the cashless payments for books, meals, parking and other services at the campus. It's a kind of debit card. Students don't need to carry cash with them, they can put it into their card for cashless transactions, which is safer and more secure as compared to cash. It is an exceptional way to reward students for their purchases at university or school premises and are rewarded throughout the semester.
